NATIONAL PREPAREDNESS MONTH

BINGO Challenge: Complete five in a row, column, or diagonal, or try to fill the whole card! Let's learn about being prepared, explore their community, and practice small acts of kindness!

Write a list of things you'd need in an emergency	Make a healthy snack with fall fruits	Learn 3 facts about fire safety and discuss with family at dinner	Draw a map of your neighborhood	Learn what preparedness means in your family
Visit your school library and find a book on first responders	Plan an emergency supply kit with your family	Make an fire emergency plan with family	Draw a picture of firefighters and police helping people	Talk to your family at dinner about your favorite fall activities
Learn about ways your local government can help during natural disaster	Check to make sure your house has fire extinguishers in recommended places		Talk to your family about the types of natural emergencies that happen in your state	Call 2 family members to remind them to test smoke detectors
Write down 3 ways you can help in an emergency	Make a family emergency contact list	Research to find 2 historical figures have birthdays this month	Learn the history of a holiday that happens this month	Check out a library book where the characters go camping
Help your family test the smoke detectors in you house	Make a tornado emergency plan with family	Take a poll to learn if they like S'mores or hot chocolate better	Practice a fire drill with your family	Make an earthquake emergency plan with family
